“ Yes, I dad do something fun. I went smmwiing at Wet n'Wild water park and talked to you while I was on the way with a bunch of kids in the back of the pickup with Abby, who went with me too. I did a pretty good job with the backstroke. I think the kids are about to beat me at smmwiing, so I hope I can hold up a little longer. I remember I didn't do such a good job when Darla was at Ft. Coob Lake, but an old indian helped us out, and I gave hime all the watermelons I had. I'm still growing tomatoes, green beans, squash and cucumbers. I hope I don't have to reward anybody with melones (cantaloupes) or sandias (watermelons), because they don't grow too good in El Paso, although I trying my luck again at pumpkins. Anyway, thanks for the memories, son, but remember; mine's the 10th, and your's is the (seven)teenth. Love always, Dad.

“ Robert,
So sorry to hear about your mother. Seems like just yesterday we were running around the school yard without a worry in the world. I sure miss those days.
I would have never known about your mother but I called your office this morning to let you know that some of our classmates are getting together Saturday and a very nice lady told me. When I moved to Tennessee years ago I got the Calhoun Times for years but don't get them any more so Ive kinda lost touch.
Anyway just wanted to say I'm sorry.
