*We had no idea Junior had passed. Our hearts are heavy that we found out too late to pay our respects. Junior was such a precious, sweet neighbor to me. He would cook and invite me down to eat. I thought so much of him but lost touch once he moved from Carriage Apts. He had such a wonderful heart. Our deepest condolences go out to the family. Rest in Peace Mr Junior.*

“ I already miss you so much, pawpaw. These past few days have been the hardest for everyone. My heart has never hurt so much. You meant the world to my family. You played an amazing role in everyone's life. No more pain, pawpaw. It's good to know that it's not goodbye but it's I'll see you later, pawpaw.. It's hard to let you go. You may be gone but you will ALWAYS be remebered by the Silvers family. Please watch over us. My goodness.. This doesn't feel real.. “ Uncle Junior, we didn't get to spend much time together when we got older but i have so many memories of our younger days. I can remember you were always laughing, nothing seemed to get you down. You made me laugh and we had so much fun together and this is how i want to always remember you.

**Rembert Pack** - December 01, 2013 at 10:26 AM

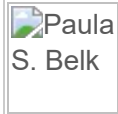

“ When it comes to my uncle Junior I still remember the times when we went on hunting and fishing trips. It was one of the most memorable times of my life. Those are the kind of things that he will be remembered for, always making people smile and bringing laughter in their lives. And while it's going to be very difficult to think of this world without him, it is a happy thought knowing that where he is, he is living in the greatest happiness of all.

*Rev. 14:13 And I heard a voice from heaven saying unto me, Write, Blessed are the dead which die in the Lord from henceforth: Yea, saith the Spirit, that they may rest from their labours; and their works do follow them.*
