“ I was so sorry to hear of Vicki's sickness and passing. I just loved her and all of the Fuquea Family. They have all been dear friends down through the years. I'll always remember Vicki's laugh. It came from deep within, from a good heart and soul. I know she has already had the "Grand Tour" of Heaven by Floy and all the others. I love you all and will be praying for you.

“ My name is Glenda Brown, I work for FedEx. I was the regular driver who picked up from Burlington when Vicki worked there. She was one of my favorite customers & always had such a sweet spirit. I especially remember her laugh! It was infectious! She will be missed dearly, but was such a blessing when she was with us.

“Chance and family, I am sharing in your sorrow today. Your mother was definately one of a kind. I have lots of fond memories of her. Perhaps the most fond of them all was Sunday mornings when you were in college. I made it a point to go by the BP station everytime I could to get a pack of gum before church. She would tell me all about you and the "Baxter Boys". She thought the world of you. I'm so sorry I cannot be with you today, but my prayers are. I rejoice in the glorius hope that we have through Jesus Christ to laugh with her again. May His peace, that surpasses understanding, cover you all today.
